EXPERIENCE PURE ARABIA

A Luxury Collection Desert Resort & Spa

## AN ENRICHING ARABIAN EXPERIENCE AWAITS YOU

The Al Maha Desert Resort and Spa evokes all the warmth and natural elegance of an authentic Bedouin encampment, combined with all the amenities of an internationally awarded sanctuary.

The resort is just 45 minutes from the busy international metropolis of Dubai. Bordered by the rugged peaks and precipices of the distant Hajar mountains, it is situated within the 225 square kilometre Dubai Desert Conservation Reserve, the centre of the Emirate's heritage and conservation efforts.

## IMMERSE YOURSELF IN NATURAL BEAUTY

Explore the timeless desert landscape, formed over a thousand years of natural evolution, and uncover a fabled past that revolves around an enchanting spring found close to the resort.

Legend has it that the spring was the source of life for the delicate flora and fauna that abound across the reserve, including more than 35 diverse mammal and reptile species and over 100 species of resident and migratory birds.

The Resort itself is situated in an ancient oasis and named after the iconic Arabian Oryx that is being lovingly bred back from the brink of extinction within the reserve.

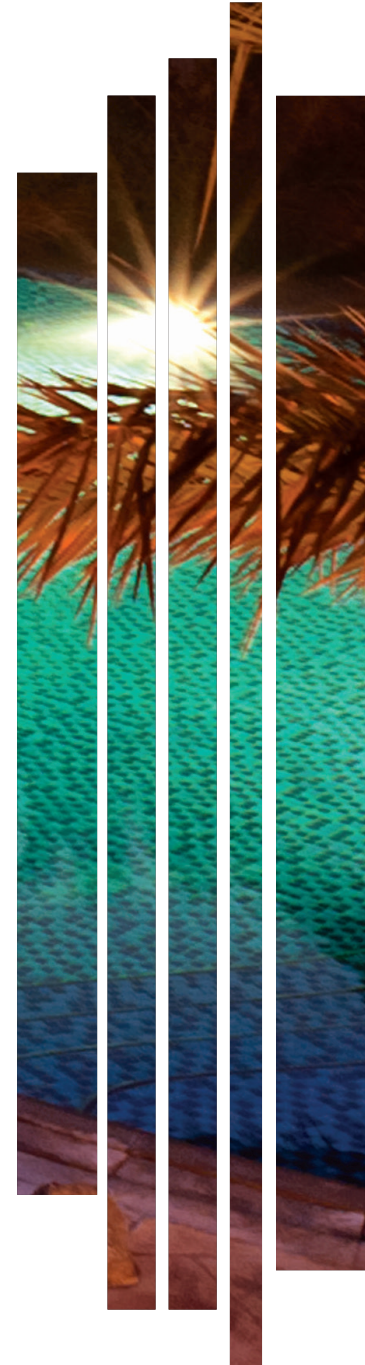

## RELAX IN LUXURY AND SERENITY

Hidden away amongst dunes sculpted by warm desert breezes and surrounded by surprisingly lush clusters of trees and date palms, Al Maha Desert Resort and Spa offers a secluded and intimate Arabian experience.

With 42 private and perfectly shaded accommodation suites, each containing antique pieces from a collection of over 2,000 ancient Arab artefacts, you'll enjoy an authentic environment in which to relax.

## INDULGE IN TRADITIONS OF RELAXATION AND HEALING

Experience the healing properties of indigenous ingredients such as dates and frankincense, refresh the senses and indulge in a stimulating range of rejuvenation therapies, from the Middle East and South East Asia.

With signature treatments that only use organic ingredients, the Timeless Spa invites you to truly unwind, with treatment rooms, sauna, jacuzzi and gymnasium.

## DINE IN SPECTACULAR SETTINGS

Savour the very best in international standard cuisine under a pure azure sky. Watch as the sun dips below the horizon and wait for the stars to sparkle as you dine by the pool or experience the best in fine dining at our signature 'Al Diwaan' restaurant.

You are also invited to choose your dining location, from dune dinners at scenic locations, private deck lunches at your own suite, or poolside drinks with light meal service.

## TAKE PART IN INSPIRING PURSUITS

Ride a purebred Arabian horse into the setting sun or trek across the serene desert silence on a dromedary camel. Watch trained falcons dart after their prey or try your hand at archery.

Whatever you choose to do, expert guides will always be available to enrich your experience and enlighten you on the timeless traditions of the region's ancient culture.

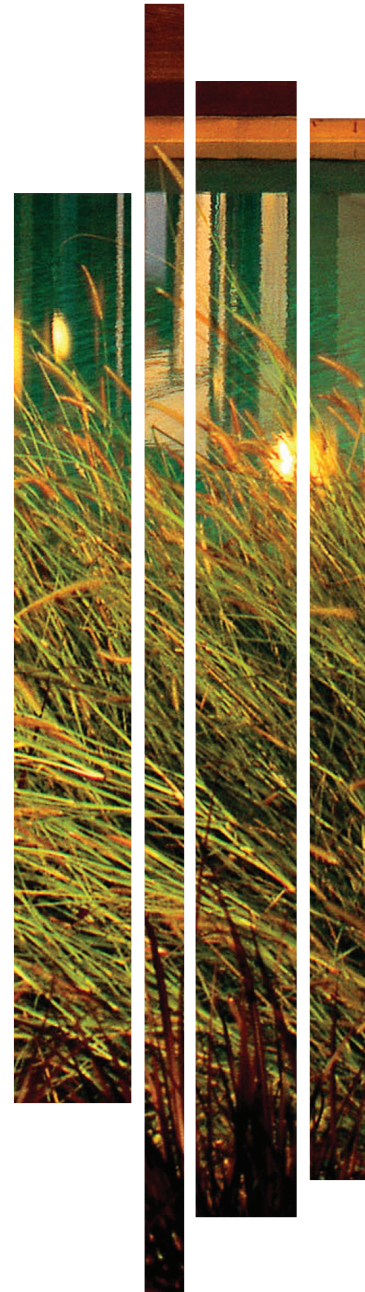

## MEET IN AN INCOMPARABLE SETTING

Let the attractions of the location enhance team building seminars and business meetings. Exchange wedding vows in an incomparable setting, or organise a conference second to none.
