## Le Palais Abbatial de Royaumont

“ The leisure area in the old stables ”

**Inspired by the Petit Trianon at Versailles**, this square neo-classical, 18<sup>th</sup>-century building stands opposite an impressive line of ornamental water features. This was a major venue for high society at the beginning of the last century and, as a tribute, we have decorated the house in the Art Deco style, breathing an air of freedom into the mix. Imagine your next seminar to the tune of the Roaring Twenties at the Abbatial Palace of Royaumont, 25 minutes from Roissy-CDG airport.
