Meeting Rooms

SALA BORGHESE & SALA COLONNA

The Sala Borghese and Sala Colonna event venues, with their state-of-the-art meeting technology, are the perfect choice for successful meetings and business gatherings. Located on the hotel first floor with natural daylight, they welcome guests in an elegant setting, in a modern and very intimate Art Déco style. Coffee can be served on a private terrace that is at the disposal of delegates to unwind and relax.

SALA VENETO

The elegantly-appointed Sala Veneto can host up to 40 people and is ideal for meetings or as a breakout room for larger events. What sets this room apart is its contemporary style of furnishings. Contrasting purple, red and wenge panelled walls dressed with large mirrors evoke a feeling of spaciousness. Marble floors and velvet seats create an elegance appropriate for any desired style.

Cocktails & Events

BRUNELLO LOUNGE & RESTAURANT

The Brunello Lounge & Restaurant, with its exclusive entrance directly from Via Veneto, transports guests into a unique atmosphere where traditional Italian elegance blends perfectly with contemporary design. On the list of hotspots in Rome, it is composed of two modern lounge areas and two bright dining rooms facing the Dolce Vita streets, with an unmatched atmosphere created by a magical play of lights from handcrafted Moroccan lamps and contemporary focal lighting. Brunello Lounge & Restaurant can be totally or partially private on request, for maximum exclusivity.

CAFFÈ BAGLIONI

The unique oval layout of Caffè Baglioni can host private events and business cocktails for up to 100 people. The rich Baroque architecture stands out through the purple red inlays of the walls, sensuous drapery and gold leaf stucco. The Italian marble floors reflect the sparkling crystal hues of the dramatic centrepiece chandelier and the fireplace creates the perfect atmosphere for the most refined events.
