## VALÉRIE JODOIN KEATON

CANADIAN PHOTOGRAPHER

Spread across the walls and ceilings of the two floors of Hôtel Monville's lobby, this 3000-square-foot photographic fresco pays an intimate and telling tribute to Montreal.

The artist interweaves past and present by alternating her own photographs (approximately 200) with those of past generations (86 archival photographs\*) and by unifying them through a common rendering in black and white.

# Happenings at Monville

NEWS FOR THE SUMMER 2019!

## BBQ ON THE TERRACE

This summer, we have the pleasure to host a BBQ and a special menu on the terrace for the groups!

Meat lovers? Our che created an amazing and tasty menu.

 Vege menu will be offered as well.

## ALVÉOLE

More than happy to announce that a hive will be on the 20e floor of the hotel to learn about beekeeping, to favour pollinisation and to produce our own Monville honey this summer.

Hotel Monville is proud to choose another local brand, faithful to our value.

**OUR PERSONNALITY**

Remarkable for its panoply of windows offering panoramic views of Montreal, the Monville is a hotel featuring original design, a convivial atmosphere, cutting-edge technology, the best ecological practices, and highly attentive service. At Monville, we're not content with being good hosts, we want to be the best hosts.
