

# Introducing Park Centraal Den Haag

A reimagined future, inspired by our 160-year-old past.

## Prime Location

Gracing the famous Royal Gardens, diverse Hofkwartier neighborhood and cobbled streets, the “centraal” in Park Centraal really suits us. Within a short stroll through the winding streets, you will find charming boutiques, cafes and the Escher Museum.

## Food & Drinks

Join us for a drink or snack at The Bar on our ground floor, or select a dish from our comforting room service menu.

## Elegant Rooms & Suites

From our Comfort Rooms to our spacious and bright Junior Suites, each unique space pairs Dutch heritage with contemporary design. Details always include deep colours, rich textures and specially selected art.

## Meeting & Event Spaces

Gather for celebrations or exchanges in one of our three beautiful spaces, ranging in size from intimate to grand.
