

# Hi, we're Locke.

2021 Lookbook.

*Locke*

NOT ANOTHER NICE HOTEL - NOT ANOTHER NICE HOTEL - NOT ANOTHER NICE HOTEL

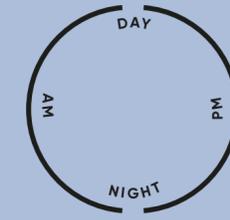

# This is your place. To stay, to live, to be. Feel Free.

Locke isn't like other hotels because it isn't a hotel.

More space than a hotel. More style than a serviced apartment. Where you can eat, sleep and unwind in your own, beautifully designed space. With all the stuff you actually need to continue your everyday, even when you're away from home.

Made to be lived in, not just slept in. Locke is a place you can connect with yourself, and the community. Beautiful but comfortable. Subtle but assertive. Hip but inclusive. Your new way to stay.

Locke

## Our room keys unlock more than just a space to sleep.

At each Locke location, you'll find all the things you need to live your normal, day-to-day life – like fully equipped kitchens, washer/dryers, and comfy living spaces.

You'll also find the things that make being away from home something to look forward to. The thoughtful design, delicious food and good vibes of a boutique hotel. A calendar of events to discover. As well as a team of hosts who are always here to help.

**Whether we meet you in the UK, Ireland or further afield, you'll recognise a certain Locke take on things that will make your stay like no other.**

### **Living Spaces**

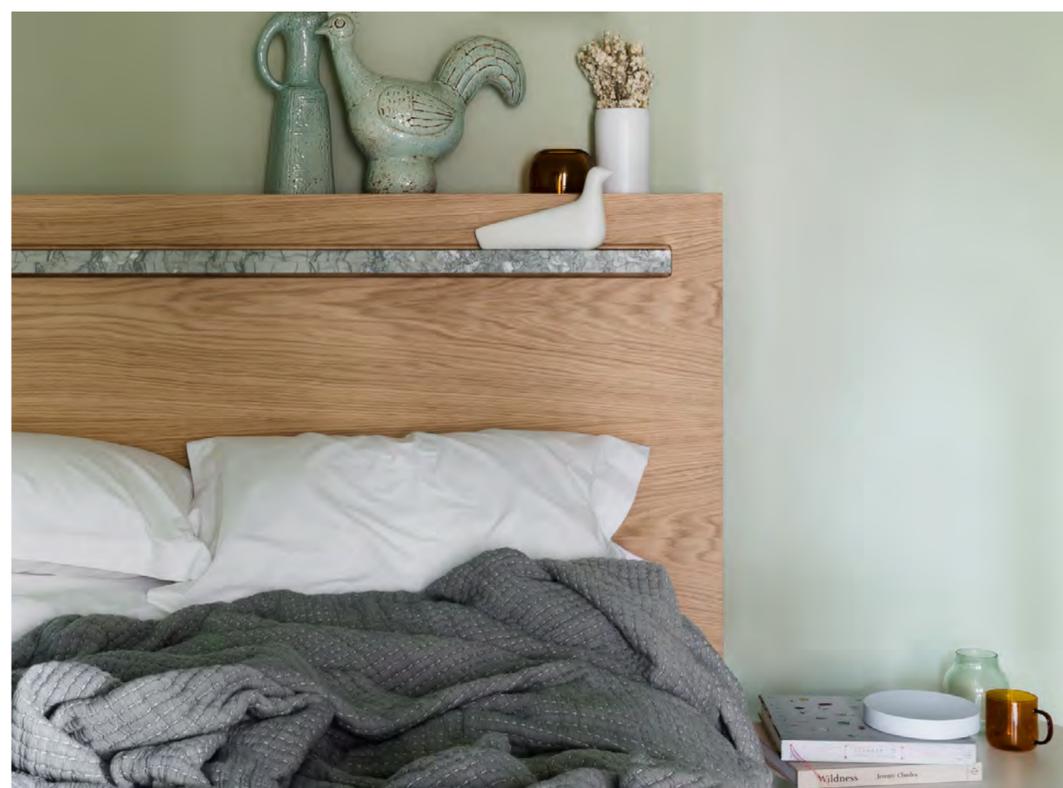

Each generously sized apartment has been designed to give the space you need – not just to stay, but to live. And the social spaces mean you have the room to work hard, and play hard, too.

### **Locally Led**

From coffee to cocktails, music to muses, locality is at the heart of all we do. Locke goes beyond the guidebook so you can sample life as a local.

### **Human Hosts**

Unscripted. Insightful. And on your side. From the minute you book, our team of local hosts are here to help. Whatever you need, we have the knowledge and connections to make it happen.

# Where next?
